

## **Pennsylvania Institute of Technology Presidential Search**

The Board of Trustees of the Pennsylvania Institute of Technology invites applications and nominations for the position of President/CEO. The search will begin immediately and continue until an appointment is made.

If you are an experienced executive who can consolidate recent successes at P.I.T. and achieve long term institutional sustainability, then here is an opportunity for you. The Pennsylvania Institute of Technology is an extraordinary college due to the remarkable vision of its founder, the dedication and hard work of its employees, and the high level of institutional integrity. Everyone at the College is passionate about their mission of helping people help themselves through a technical education that leads to employment or transfer to colleges and universities to complete educational goals.

The successful candidate must be an educational leader and astute business person who understands higher education, financial and educational management and program development. He/she must be a generalist and multi-tasker who is a proponent of institutional, instructional and administrative use of technology and is personable and outgoing to be active and visible in the College and the community. The successful candidate must supervise marketing and public relations as well as fund raising, facilities development and utilization.

P.I.T. offers associate degrees and certificate programs in engineering, business, information technology, allied health and practical nursing. The College is a small, private, not-for-profit, 501c (3) institution governed by a 12 member self-perpetuating Board. The student body of 1100 is very diverse, about half of whom attend classes at the 15 acre Rose Valley-Media Campus in Delaware County Pennsylvania and half attend the Curtis Center in Philadelphia near Independence Hall. The operating budget of approximately 13 million dollars is nearly entirely supported by tuition and fees.

Applications and nominations will be treated confidentially and should be sent **electronically in MS Word or PDF format to:**

[PIT@academic-search.com](mailto:PIT@academic-search.com)

Applications should include an up-to-date resume and a three to five page application letter **specifically** addressing the applicant's background in relation to the challenges, opportunities, characteristics, and qualifications described in the position **Profile** which may be seen at [www.academic-search.com](http://www.academic-search.com) or [www.pit.edu](http://www.pit.edu). The search committee will begin reviewing applications May 25. To ensure consideration, all application materials should be **electronically** received by June 4, 2010.

This search is assisted by:
